InvisiEdge Colours

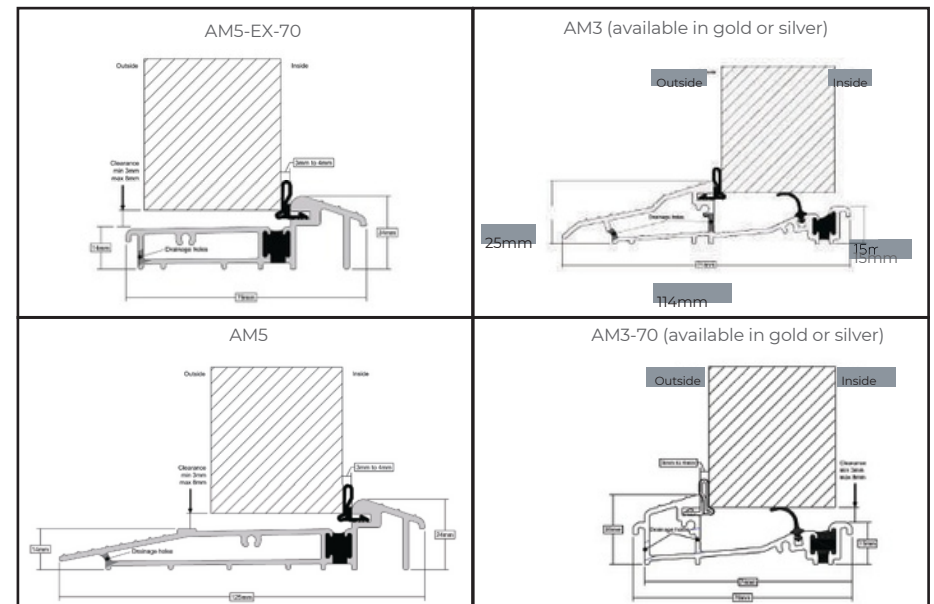

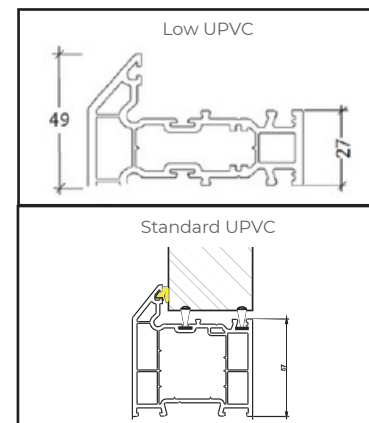

Our technically advanced InvisiEdge system gives a seamless colour edge to the door faces maintaining perfect aesthetics whilst ensuring up to 100% moisture resistance.

White InvisiEdge comes as standard. We utilise brown or caramel to compliment Rosewood, Oak and Irish Oak. Grey InvisiEdge compliments Anthracite Grey, Schwarzbraun and Black doors.

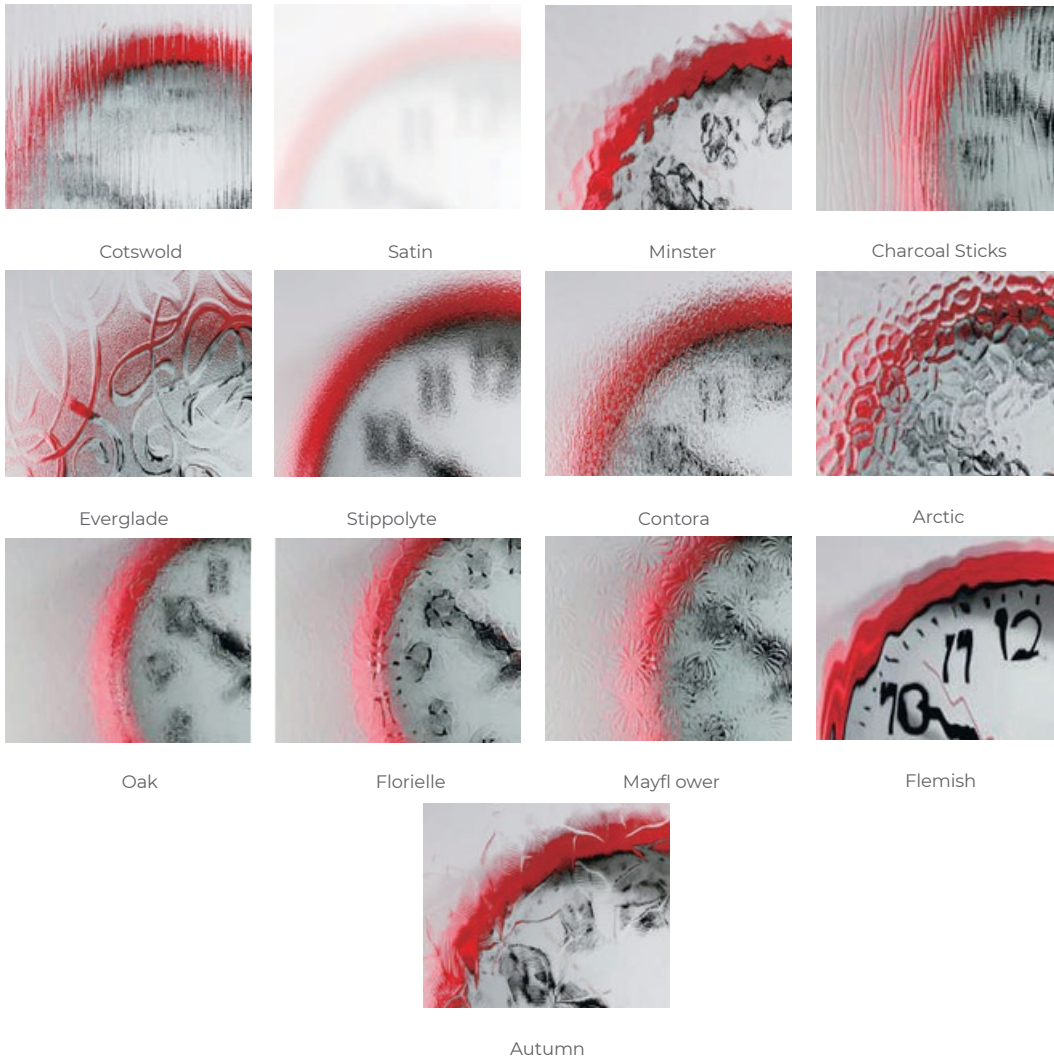

Thresholds

Our six threshold choices include standard uPVC or two aluminium options.

Complementary Backing Glass

With thirteen different patterns to choose from, there is always a style to suit.

Door Colours

Over 18 stunning colours available, in any combination inside and out, there is an option for everyone.

Our striking range has a woodgrain effect unique to Comp Door - we think you'll agree, its completely unmatched in quality.

Complete Security

We've partnered with UK security experts to bring their expertise in product design, manufacturing and testing to produce a composite door with optimal security and performance.

Each CompDoor also comes fitted with the very latest in auto-fire multi-point lock engineering. This multi deadbolt has been rigorously tested to over 50,000 cycles and is fully compliant to PAS-24 security standards. The mechanism automatically engages when the door is closed, with no need to lift the handle, for optimal security and to minimise movement.

High Security Barrels

Active Snap Protection

When attacked, a hidden pin within the hardened Molybdenum cam fires into action to create a barrier that would-be intruders can't get past.

Multi-Layered Protection

ABS cylinders feature advanced technology to combat against snapping, picking, drilling and bumping.

Tried & Tested

ABS 3 star rated cylinders are approved by the Police Security Association, passing with the Sold Secure Diamond grade recognised as the highest security standard UK locks can conform to.

Lock Positioning

Standard Auto-Fire Lock

An automatic multi-point locking system featuring a four self-locking deadbolt latch to provide additional security.

Heritage Auto-Fire Lock

The aesthetics of a traditional rim latch positioning, but incorporates the latest high security auto-fire technology.
